2001 County Office Outreach Plan

APPROVED BY:

State Executive Director

LEF:mac

1 Overview

A

Background

Outreach activities continue to be emphasized by USDA and FSA. Oregon Notice GEN-84 had attached the Oregon FSA FY 2001 Outreach Plan.

B

Purpose

The purpose of this notice is to serve as instruction to develop an outreach plan. Each COC shall submit a plan that explains how different customer groups (especially under-served groups including women, minorities, and limited-resource clients) will be identified and how these groups will be encouraged to participate in FSA programs.

C

County Action

Each county office shall develop a FY 2001 Outreach Plan. The plan shall be sent to the STO by COB May 31, 2001. After receipt of the plans, the STO will distribute copies of all plans to each COF. Since the plans are not expected to be a static document, this will give COF's ideas for revision of the plans for the future.
